

Fire Awareness / Fire Marshall Training

About the course

The law requires all employees to have knowledge of what action to take in the case of a fire and in fire prevention.

Who should attend

No previous knowledge is required for this course. It is essential information for everyone and will help employers to comply with the law which says all employees should have adequate fire safety training.

This course is also suitable for those who are responsible for overseeing fire safety, designated fire marshals and anyone who needs to know how to use a fire extinguisher.

What you will learn

How to identify fire hazards and how to prevent fires. What action to take in a fire emergency.

The length of the course

3 hours.

Course content

- Fire legislation
- Identifying fire hazards and risk assessment
- Fire fighting equipment
- Evacuation procedures

Assessment and certification

Continuous assessment by the trainer. A certificate of competence will be issued on successful completion of the course.

Where you can do the course

This course can be held in your premises throughout the UK.
Open courses are held in Wiltshire and Gloucestershire.
