

Health and Safety

About the course

Good Health and Safety standards rely on employees and employers working together to reduce risks, accidents and ill health in the workplace.

This level 2 award in Health and Safety replaces the Foundation Certificate in Health and Safety.

Who should attend

This course is suitable for both employees and employers and no previous knowledge is needed. It can be tailored to any work environment whether office, manufacturing, public sector or the service industries.

What you will learn

This course provides all the information needed to have a clear understanding of Health Safety in the workplace and risk assessments to help you create a safe and healthy working environment.

The length of the course

6 hours.

Course content

- Health and Safety legislation
- Workplace health safety and welfare
- Risk assessments
- Ergonomics
- Occupational health
- Prevention of ill health and accidents and first aid requirements
- Electricity, fire and other hazards
- Manual handling

Assessment and certification

There will be an ongoing assessment by the teacher with a multi-choice paper at the end. Certificates will be issued by Switch but if required further certification can be received from CIEH or RSPH for additional cost of the exam fees.

Where you can do the course

This course can be held in your premises throughout the UK. Open courses are held in Wiltshire and Gloucestershire.

How much it costs

See price list.
